These statistics are based upon information secured by the agent from the owner or their representative. The accuracy of this information, while deemed reliable, has not been verified and is not guaranteed. These statistics are not intended to represent the total number of properties sold in Ada County during the specified time period. The Intermountain Regional Multiple Listing Service provides these statistics for purposes of general market analysis, but makes no representations as to the past or future appreciation or depreciation of property values. (To reduce the error, only data falling within 3 standard deviations from the mean has been included in the report. Existing and new construction statistics are calculated independently and may not sum to the total number of homes sold.) * Effective 3/1/2007, 'days on market' refers to the number of days that transpire between the listing date and the date the property goes into pending status. Effective 4/1/2011, standard deviation is modified to reflect the difference between the asking and sold prices as a percentage of the asking price.
